Subject: request for information - Vendor Ownership Survey
Date: Thursday, June 25, 2020 12:19:10 PM

Hello,

I have come across a letter sent from the office Florida Chief Financial Officer Jimmy Patronis. It was addressed to "State of Florida Vendor" and requested responses to a "Vendor Ownership Survey" be sent to the state's vendor relations email address, vendorrelations@myfloridacfo.com.

I am requesting a list of businesses and/or individuals this letter was sent to, as well as the date it was sent and copies of any responses the state has received via email or otherwise.

I also am hoping to get an explanation of who ordered the survey and why.

Please let me know if you have any questions. Thank you.

Megan
